

2024 Month of Service in Photos

As the agency observed the 23rd anniversary of September 11, hundreds of employees from across the PA joined together to give back to the bistrate region as part of the annual Remembrance Through Renewal (RTR) Month of Service. The RTR team sends a heartfelt **thank you** to all who participated this year. Thanks to your help and input, we were able to partner with dozens of organizations across the region.

Over 300 participants representing departments throughout the agency came together to organize food bank donations, get their hands dirty with some landscaping work, scrub floors, package food for the hungry, and much more! In addition, 60 employees participated in the annual Blood Drive at 4 WTC, donating enough blood to 180 lives.

A special thanks to the agency's Employee Business Resource Groups (EBRGs) and their dedicated memberships for hosting several events! We thank you all for your participation. It is truly a special way give back to the community in honor of the friends and colleagues lost in the attacks on the World Trade Center on February 26, 1993, and September 11, 2001.
